To the parents at Brawley Christian Academy,

Due to the recent decision made by the Imperial County Office of Education to close all public schools in order to help prevent the spread of COVID-19, the Board at Brawley Christian Academy has decided to temporarily close the school starting this Friday, March 20 and ending on April 17, 2020. School will resume as normal on April 20, 2020. We believe this shutdown is both a necessary and precautionary step to ensure the safety and health of all students.

The Board has also voted to keep the school open for a few more days in order give some of our parents time to make alternative care arrangements for their student. We hope that this delay in closure will lessen the impact of hardship upon our families. Furthermore, if parents opt to keep their child home for the rest of this week, students will not be penalized for any assigned work.

March 17-19	Optional Student Attendance
March 19	Minimum Day, 12:30 PM
March 20 - April 17	School Closed with Limited Office Hours & Assistance; See Calendar
April 20	School Resumes

By the end of the week, we will be sending out notices to all parents regarding our contingency plan. This plan will include a daily work schedule for students, a communication and assistance plan, and an event schedule that all students may participate in from home. We also will be sending out a new school calendar along with some other supplemental information.

Ultimately, we want all families to be safe during this very stressful and challenging time. If, God willing, things change where we are be able to receive students again, we will notify all parents immediately. Until then, we're all in this together. The teachers and staff at Brawley Christian Academy are willing to help with what we're able. If you have any questions regarding this, please call the main office at 760-344-3911.

In Christ's Service,

Antonio Flores  
Principal
