School Books Retention Policy 2022-23

Brawley Christian Academy provides all students their school textbooks as determined by grade level. These books are mandatory and are required to be available for classroom use every day. Some textbooks are purchased new and some are selected to be reused for the next school year. In order to maintain and preserve reusable textbooks we require that parents agree to the following use conditions:

Read and Initial

☐

Books labeled for **retention** are to be used for reading *only* and may not to be marked or written on.

☐

Books labeled for **retention** must be paid for in full if lost, torn, or in a condition which is deemed unacceptable by the school (having markings, excessively tattered, etc).

☐

Books labeled for **retention** are considered to be school property and must be returned at the end of the school year OR upon un-enrollment.

☐

I understand that not all books may be listed on this form and that the school may add/remove books at anytime with or without notice.

The following books will be retained:
