Brawley Christian Academy
Report Card and Discipline Report

Brawley Christian Academy requires students grades 2-8 to submit grades and a printout of their most recent disciplinary record. The administration uses these reports to evaluate a student's GPA and behavioral record. All students have a disciplinary record, even if blank, from their current school.

Kindergarten – 8th Grade:

If applying before school starts:

Please provide a copy of the most recent report card and the last school year's discipline report.

If applying during the school year:

Please provide a copy of the most recent report card *and* any report card given during the school year. Also a current discipline report must be submitted.

Instructions on how to retrieve grades and discipline reports

- Grades and discipline reports may be requested at the admissions office from the student's corresponding school. By law, all parents have access to a student's cumulative record which hold these documents.
- It's possible that the school(s) providing the documents may forward (fax) them to BCA. If so, please provide them with the fax number which is located on top of this form.
- To expedite the admissions process, please request any additional information from the main office in a timely manner.
